

學生如何於NTU COOL透過Turnitin繳交作業

若教師將 NTU COOL 中的某項作業設定為透過 Turnitin 繳交，學生繳交作業時，自動會被引導至 Turnitin 繳交畫面。

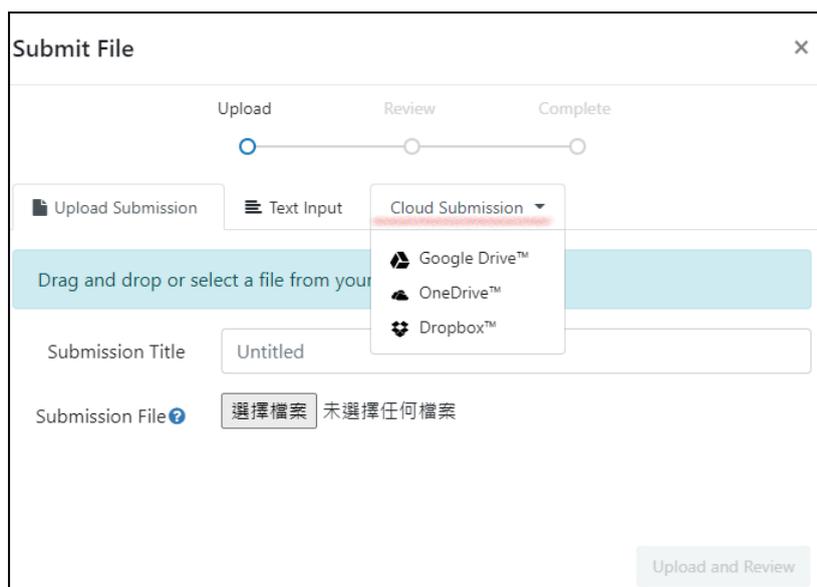

The screenshot shows the Turnitin submission interface for an assignment titled "期末報告". At the top, it displays the assignment name and a breadcrumb trail: "Home > Assignments > 期末報告". Below this, the assignment details are shown: "Due Sunday by 11:59pm", "Points 100", "Submitting an external tool", "Attempts 0", "Allowed Attempts 3", and "Available Feb 15 at 12am - Feb 20 at 11:59pm 6 days". A message prompts the student: "請同學準時繳交。". The main content area is titled "Assignment Dashboard" and features a dropdown menu for "期末報告" with a help icon. Below the dropdown, the "Instructions" section states "No special instructions." The "Start Date" is "15 Feb 2022 00:00 CST". The "Due Date" is "20 Feb 2022 23:59 CST". The "Feedback Release Date" is "20 Feb 2022 23:59 CST". The "Max Points" is "100". The "Additional Settings" section includes: "Similarity reports are available immediately after submission." (checked), "Resubmissions are not allowed" (unchecked), and "Late submissions are not allowed" (unchecked). At the bottom right, there is a blue "Upload Submission" button.
